24 April 1956

Availability of at ratertown Strip 1. Mr. Fissell indicated that discussions with atertown had indicated that the Colonel would be available for y (60) days TDY during the absence of when the ers goes to England with the First WRS (Provisional). 2. On 18 April, the undersigned called who again erated his availability when the situation clearly indicated need for him. He stated that was now away from ington and that he was acting as Division Chief he Pentagen. We told him that we expect of the set to be at our training area on or about 23 April, but that it be necessary to call on for a few days after departure on or about 4 May, until prepared to take over on his own. We also mentioned that
